FULL SPACE

Full Day: CAD 5000
Half Day: CAD 2500

A technology-first innovation hub built on immersive experiences, INNOV8 Toronto connects consumers with products, research and ideas, thereby uniting the Toronto ecosystem for innovators and entrepreneurs to move from idea to impact with confidence.

The innovation center is designed to help companies aggregate and wrap the latest immersive technology around their products, and position their solutions as a source of innovation, revenue growth, and increased customer engagement.

With the latest hardware and interactive content, you can get hands-on experience of the technologies that will help you meet your transformation challenges and accelerate your business innovation.

Our entire venue holds over 100 people comfortably and is fully furnished a reception lobby with luxurious seatings areas, 2 open concept conference rooms, a board room, a seminar room, a kitchen, and a fully loaded bar. Ask us about our catering services.
